

TORO

HOVERPRO® SERIES

SLOPE MOWERS

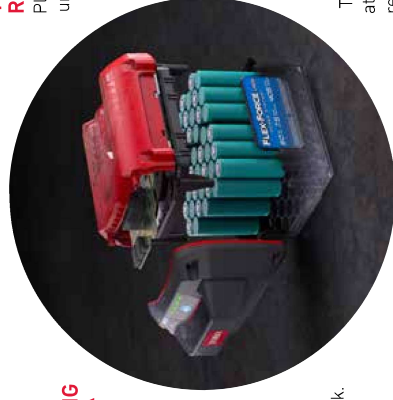

**HOVERPRO TACKLES TOUGH UNDULATIONS,
STEEP SLOPES AND BANKS WITH EASE.**

eHOVERPRO™ 450 / FLEX-FORCE POWER SYSTEM®

A BATTERY SYSTEM DESIGNED FOR THE FUTURE.

Flex-Force batteries are interchangeable across the entire system so, as tools become bigger and better, you already have the best battery to power them. The battery's performance is optimized for each product/application, so you'll always get the most out of your experience.

TEMPERATURE RESISTANT CASING

Plastic components made from a unique thermoplastic material that provides superior resistance against extreme temperature ranges.

LED ON-BOARD POWER METER

LED indicator light shows the battery's charge level in increments of 25%. Easily check by pressing the blue battery button after each activity.

CHARGING

The battery will only charge when it's at the right temperature. The easy to read on-board LED indicator shows when it's fully charged.

CLASS-LEADING POWER OUTPUT*

Ultimate innovation with our 3P design for 3 times the power, higher max performance, and the ability to push your tools harder, for longer.

BUILT-IN CARRYING HANDLE

Gives you a hand where others don't. Easily switch from tool to tool and task to task.

MOW LIKE A PRO.

From bunker lips and tee boxes to treacherous turf and slopes, the HoverPro delivers a first-class cut where wheeled mowers dare not go.

Featuring a powerful 60V* 2 kW motor, eHoverPro™ provides the contemporary, zero engine emission solution.

eHoverPro 450

COMFORTABLY EASIER

Make light work of tricky slopes for longer, plus minimize fatigue thanks to effective airflow and weight balance.

SMARTER INVESTMENT

The eHoverPro is fully compatible with the extensive range of Flex-Force Power System® tools, batteries and chargers. (02614T only)

A CUT ABOVE

The eHoverPro's powerful steel blade cutting system provides the kind of precision finish that keeps nylon wire trimmers awake at night. (02614T and 02617 only)

BATTERY / CHARGER FOR 02614T (SOLD SEPARATELY)

BATTERY	WATT HOURS/CHARGE
FLEX-FORCE POWER SYSTEM BATTERIES	81875 (7.5 Ah)
FLEX-FORCE POWER SYSTEM CHARGER	60V 5.5 A Rapid Charger

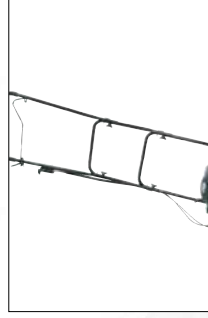

ACCESSORIES

HI-RISE KIT
02619; eHoverPro 450 and HoverPro 450 only
Simply bolt to existing deck to increase height of cut by 35 mm.

TRANSPORT WHEELS
02622
Detachable wheels for easy site-to-site transport.

EXTENSION HANDLES
02628; eHoverPro 450 and 550
02630; eHoverPro 450
Makes working on slopes or hard to reach areas even easier.

Visit toro.com or call your local distributor for a full list of available accessories and attachments.

*Max power output measured in watts based on battery cell manufacturer's rating. Actual max power output dependent on the use conditions and tool used.

SPECIFICATIONS**

HOVERPRO® SLOPE MOWERS			
MODEL	02614T eHoverPro™ 450	02616 HoverPro 450	02617 HoverPro 550
